Shiseido Co., Ltd. to Make Administrative Changes and Transfer Personnel

Effective April 1, 2013, Shiseido Co., Ltd. will implement certain administrative changes and transfer designated personnel as follows.

1. Administrative Changes

- (1) In order to enhance initiatives to devise and accelerate the promotion of environmental strategies as well as create synergies in tandem with company-wide CSR activities, the Environmental Planning Department will be integrated into the Corporate Social Responsibility Department and the Environmental Planning Group will be newly established within the Corporate Social Responsibility Department.
- (2) In order to establish a system that facilitates management of the Shiseido Group's overall supply chain, certain functions of the Logistics Department, the International Logistics Department and the Production Department will be unified, and restructuring will be carried out and the department name changed to the Supply Chain Management Department.
- (3) In the area of research and development, among the research functions handled by the Skincare Product Research & Development Center, Make-up and Hair Care & Styling Products Research & Development Center, Human Materials Research & Development Center and the Innovative Science Research & Development Center, those research functions (beauty equipment and dermatology) that are highly relevant to the development of cosmetics products will be integrated. Accordingly, restructuring will be carried out along with changing the department name to the Cosmetics Research & Development Center and Cosmetics Basic Research Center.
- (4) In the area of research and development, research functions aimed at developing new domains and food research function will be integrated into the Innovative Science Research & Development Center.
- (5) In the area of research and development, research promotion functions, including patent affairs, will be consolidated into the Research Administration Department.
