Name	*	Former Title
Kanoko Oishi	External Director	See Supplementary Material

(4) Policy for the selection of board member candidates

In the Company's articles of incorporation, the maximum number of board members is set at 12. Respecting this upper limit and in consideration of the Company's business portfolio and scale, an optimum number of directors is elected such that they are able to appropriately supervise the management.

For external directors, the number is set at three or above to allow such members a certain degree of influence within the board. In addition, the Company has established the target of electing half or more of its directors from outside.

For selecting external directors and Audit & Supervisory Board Members, high priority is given to independence. Our basic principle is that candidates of external directors and Audit & Supervisory Board Members are required to meet the Company's independence criteria, "Standards for Assessing the Independence of External Directors and Audit & Supervisory Board Members," as well as possess high independence in mental attitude.

The Company is promoting drastic structural reforms and reconstruction of the business foundation aiming to recover growth under VISION 2020, a mid- to long-term strategy announced in December 2014. To accomplish these reform initiatives, it is necessary that external directors are well-versed in the Company's ongoing situation and activities, and continue to effectively supervise and support the management. In view of this, we have determined that Shoichiro Iwata and Tatsuo Uemura, two current external directors, are well-qualified for the above role, given that both of them entered their tenth year since June 29, 2006 when they assumed their respective positions at the 106th general meeting of shareholders. Also, they both maintain a high degree of independence from the Company. We have therefore nominated Messrs. Iwata and Uemura to be re-elected as external directors at the 116th general meeting of shareholders.

2. Directors and Audit & Supervisory Board Members (Subject to approval at the 116th Ordinary General Meeting of Shareholders, Board of Directors Meeting and the Audit & Supervisory Board Members Meeting scheduled to be held in late March 2016*)

Shiseido Company, Limited

Nomination of Kanoko Oishi for the Candidate of New External Director

1. Reason for Nomination

- The Company views the role of external director as a key to ensuring corporate governance. Its primary function is to monitor business execution from a position independent of the Company, which is expected to contribute to maximizing corporate and shareholder value.
- To serve this role as a board member, the external director should have superior capabilities developed from broad perspectives and based on diverse experiences.
- In light of this requirement, Ms. Kanoko Oishi is well qualified for the external director post. As a business entrepreneur, she proactively seeks to transform the healthcare industry from the patient's point of view, utilizing her many years of experience in managing businesses in Japan and overseas. Once elected for the Company's external director, she would effectively use her rich experience and insight, not only to fulfill the duty of monitoring business management, but to contribute to enhancing corporate value through customer-oriented business activities. These considerations have led to the nomination of Ms. Oishi for the candidate of external director of the Company.
