Notice of Change of Representative Director

Shiseido Company, Limited (the "Company") announces that the Board of Directors resolved to appoint a new Representative Director as described below:

1. Name and Title of New Representative Director

Name: Tsunehiko Iwai

New Title: Representative Director, Executive Vice President

(Former Title: Director, Corporate Executive Officer)

2. Reasons for the Change

The Company's board of directors currently includes two representative posts, which are assumed by Masahiko Uotani and Toru Sakai. Uotani, President and CEO, is responsible for the Group's entire business; and Sakai is responsible for the Japan business, a major segment that can have more significant impact on the entire Group's business than any other segment. Both will continue endeavoring to fulfill the respective responsibilities. To ensure their functional continuity at the Company, the two present representative directors will remain at the same post.

In addition to the above two representative directors, Tsunehiko Iwai has been elected for a new representative director. Iwai has been assigned to be in charge of legal and corporate governance, starting 2016, in addition to his current responsibilities for overall technical areas. Also, he will be appointed to become Executive Vice President at the same time, which is the post to fill in for President and CEO during his absence. Considering these increased, broad responsibilities, Iwai has been elected to be a representative director.

3. Biography of New Representative Director

Date of birth	Career summary	The number of shares of the Company owned
