# Core OP : Declined Overall Due to Sharp Drop in Travel Retail Sales, Partially Offset by Growth in Japan, Global Structural Reforms and Cost Management

Q3  
YTD

**Japan:** Achieved significant YoY profit growth, thanks to higher gross profit driven by sales growth, better mix via selection and concentration as well as structural reform effects

**China:** Increased YoY offset by lower inventory write-offs and structural reform effects including fixed cost reduction

**Asia Pacific:** Increased YoY driven by higher gross profit generated from increased sales

**Americas:** Declined YoY due to lower gross profit driven by sales decline

**EMEA:** Declined YoY despite YoY increase in gross profit from higher sales, offset by increased marketing investment, etc.

**Travel Retail:** Declined sharply YoY due to lower gross profit driven by sales decline

**Other/ Adjustments:** Lower gross profit due to decrease in intersegment sales to the Travel Retail and China, changes in the amount of unrealized profit recognized for elimination
